# “HIDDEN VALLEY” – 362 ACRES

- Situated in a very tightly held valley and less than 2 hours from Brisbane and the coast "hides" this perfect lifestyle and cattle property. The valley has a beautiful stream running 12 months of the year which is lined with oak and cedar trees which give you plenty of shade for the picnic days. There is a total of 362 acres to enjoy in this peaceful valley which runs from creek flats, rolling hills, rainforest gullies and large areas of hardwood timbers. Improvements on the property consists of a converted dairy building as the weekender, steel machinery shed and steel stockyards. The owners currently run around 40 head of cattle and leave the majority of the country in its natural state. There are plenty of tracks for the bush-walkers, motor bike and horse enthusiast. Inspection of this property is by appointment only: **PRICE \$575,000**
