The rolling plateaus and valleys are covered with Kikuyu, natural grasses and it has pockets of native timbers.

The property is watered by two creeks, springs, several dams and is subdivided into 4 main grazing paddocks plus holding paddocks, with a good majority of the fencing in very good condition.

Improvements include a fully equipped set of stockyards.

"Wyndham" is located at the end of a valley and has some of the most spectacular 360-degree views of the Border Ranges National Parks, Toonumbar National Park and back south, to the township Kyogle. Apart from being less than twenty minutes to town, Wyndham is close to all the local coastal towns and villages and is just over two hours' drive to Brisbane (Train available in Kyogle).
